# ENAM Project

Enhancing child Nutrition through Animal source food Management

*Enam* = “animal-based products” (Twi)

# Problem model

Seasonality

Feeding skills and nutrition knowledge

Number of extension field staff

Processing and storage

Household food allocation

Pests and diseases

**ASF**  
Availability  
Accessibility  
Utilization

Household size

Marketing linkages

Cultural beliefs and attitudes

Financial services

Income

Caregiver empowerment

# ENAM Intervention

Peer education (U Ghana)  
Rural banks (FFH)

Microcredit loans & savings

Support for IGA:  
Specialized training  
(Heifer)

Nutrition education

Entrepreneurship  
education

Weekly  
meeting

The ENAM Project was funded through the Global Livestock -CRSP funded in part by US-AID Grant No. PCE-G-00-98-00036-00; Women in Development, US-AID; and the Jim Ellis Graduate Mentorship Program. In addition, substantial support was provided by Iowa State University, the University of Ghana, and McGill University.
